PURPOSE OF THE

SCHOLARSHIP PROGRAM

The National Association of Junior Auxiliaries was established in 1941 with the purpose of uniting members "to render charitable services which are beneficial to the general public, with particular emphasis on children; to cooperate with other organizations performing similar services." Today the growing Association continues the focus of meeting the needs of children and youth in keeping with the NAJA slogan:

Care Today — Character Tomorrow

Begun in 1962, the NAJA Scholarship Program provides awards to qualified and deserving applicants whose enhanced education and training ultimately benefit children.

Great importance is attached to the applicant's purpose in life, dedication to the chosen field and scholastic record. Financial need of a candidate is not the determining factor in the selection of the recipient. The purpose for entering the profession must coincide with the Junior Auxiliary underlying purpose of helping children in need.

The primary purpose of the Scholarship grant is to present a gift to the children.
